

Summit Bible Reading Plan 2023

Welcome to Summit's Daily Bible Reading Plan for 2023! There are many different options for how to read the Bible throughout the year, so we are thankful that you chose ours. We love providing a plan like this for our members, so that we as a church body can be learning the same things from God's Word at the same time throughout the year.

Why should you do a daily Bible reading plan? What you read in the Bible becomes the starting place for a conversation with God in prayer. As you read what the Holy Spirit inspired in Scripture, you hear from God. If you are new to Bible reading or are having trouble getting started, we recommend asking yourself these questions when reading Bible passages:

1. What does this Bible chapter/passage teach me about God?
2. What does this Bible chapter/passage teach me about myself or people in general?
3. How is God leading me to apply in my own life what I have learned in this passage?
4. What does this passage inspire me to talk to God about as I pray to him?

We all need encouragement, hope, and understanding to navigate our lives. In other words, we all need to hear from God, every day. For more information on how to read the Bible interactively with God, as part of a "quiet time", see this [30 Day Kick Start Guide](#).

Why should you do Summit's Daily Bible Reading Plan? Our plan has some clear advantages for you: 1) It provides a manageable pace. We ask you to read one New Testament and one Old Testament chapter per day. In this plan you will read all of the New Testament, plus about one hundred chapters on repeat that highlight what we are learning from Summit's sermon series. Between repetition and theme alignment, we cover all of the Old Testament over three years.

2) Our reading plan provides alignment with other things happening at the Summit. The chapters in the New Testament that we repeat, and the books we choose from the Old Testament to, all center around the major sermon series. This year, we will be in the book of John. We will read the Gospel of John three times, while also reading Revelation and the epistles of 1, 2, and 3 John two times (these books were all written by John). In the Old Testament, we chose books like Genesis, Isaiah, and Ezekiel because the book of John repeatedly references and alludes to them.

3) Our plan has the flexibility to show how different parts of the Bible fit together. One of the best things about the Bible is the way it is interconnected. We see this in how John 1 and Genesis 1 relate to each other, how Daniel relates to Ephesians and to Revelation, and how the opening chapters in the Gospel of John use images and ideas from Ezekiel 34–36. This won't happen every day with your reading, but we have been careful to include some key related passages.

Sign up for our Bible Reading Plan updates, where we will provide short summaries and resources for reading all of the books in the plan. We will also show you when to be looking for valuable connections in upcoming chapters that we will be reading. Join us as we learn from God's Word together!
